

## 2017 Bucher/Delta Annual Equipment Maintenance

**Bucher Vaslin NorthAmerica** announces its **Annual Equipment Maintenance** Program.

This is your opportunity to have a qualified, factory-trained technician check the condition and operation of your *Bucher* Press(es) and Delta Destemmer and Reception Equipment. At this time we can also review equipment operation and maintenance with you and your staff. Customers that have utilized the Annual Equipment Maintenance program reported significantly fewer problems during harvest.

Because of the large demand, we are encouraging early scheduling of this Annual Maintenance.

**This offer is on a first come basis.**

- 1. Early Season Premium Discount: For Annual Equipment Maintenance performed prior to April 30<sup>th</sup>. Follow up early to ensure you take advantage of this discounting. Any parts used will be discounted 10% in addition to the rates below.**

<b>\$400</b>	First Bucher membrane press 100 HL and above / Delta Vistalys Optical Sorter.
<b>\$375</b>	Each additional Bucher membrane press 100 HL and above at the same location.
